

Quality time with your Crew

As parents we are always looking for different things to do with our kids. No matter how old they are, we love to be around our children spending quality time with them, creating fantastic memories, and fulfilling the vision you had when they were first born of helping to give them a great life. If the last year has taught us anything, it is how much we all need our families and we all need fun, safe, unique, and active things to do with our kids. Time together inside the house has been done...and done...and done. It's time to get outside!!!

The phrase "Make the Time" is our rallying cry out here at Kananaskis Country Golf Course. With life going 100 miles an hour for families everywhere, our team believes that we all need to "make the time" to turn off your phone, stop looking at emails, turn off Netflix, take a deep breath and make plans to spend some quality time with the people you love; your family. We want you to look to Kananaskis Country Golf Course as that place where you can go to decompress, reconnect, and have fun with friends, family, and business associates! WE EMBRACE BEING UNIQUE, DIFFERENT, AND OUTSIDE THE BOX!

So, guess what we did??

Based off of the success of our K-events that features a Ladies night and Kouples Night, Kananaskis Country Golf Course is pleased to introduce to all of you for the 2021 season - the inaugural **Kananaskis Family Night!!** We wanted to create a fun, unique, and excellent excuse for families to get out of the city and make their way to the mountains to take part in a fun evening that celebrates being together, having some laughs, enjoying each other's company, and being in one of the most beautiful parts of the world!

So, what does this night look like?

On 4 separate days during the 2021 golf season, we are creating a cool and unique experience for YOUR family! The activities we have planned will be for kids 4-17 years and parents/grandparents of all ages!

Here is what your Friday evening is going to look like:

- Teams and pricing are made up of a twosome - one adult and one child
- An activity to kickstart the night before golf gets started. Be prepared for things you can't possibly prepare for!!!
- 9 holes of golf including cart on the beautiful Mt Lorette or Mt Kidd course
- Fun and unique golf formats for each event!!
- \$20 voucher per parent & child twosome for dinner on our scenic and cozy Lorette patio after golf!
- Prizes
- Each child will receive a golf gift upon arrival
- Post golf activity on the Mt. Lorette patio! We started your evening off with something unusual and fun! To be consistent, we are planning on doing something similar at the end of the night on the Lorette patio. Fun games that might be family vs. family, or parents vs. kids. The beauty is that no one will know until it's too late. No matter what we choose to do, fun will be had by all!

The nights we have booked to host these fun events are:

- June 11th,
- July 9th,
- August 13th, and
- September 10th

If inclement weather prevents us from going forward with any of the above dates and we have to reschedule, we have set aside the following two dates as alternatives:

- July 2
- September 3
